Dear St. Marys DCVI Families:

I want to make you aware of a situation that affected our school on Friday. At approximately 2:30 pm, we received a call that indicated a potential threat to the safety of others.

Police were notified immediately and the school went into lockdown as per our Safe School procedures. The individual was taken into custody by the police and the lockdown order was removed.

We take all school safety very seriously and we will respond according to our school and board procedures that ensure the safety of students and staff. I want to assure you that St. Marys continues to be a safe learning environment. As always, please call me at the school if you have questions or concerns.

Sincerely,

Scott Richardson

Principal
